Bar Money

Dear Breeders and Horsemen,

I would like to invite each of you, personally, to my sale, September 17, 1966, but that is almost impossible, so I am taking this means to invite you.

I deeply regret having this sale. Roger spent many years putting this group of horses together. A lot of time, money, and effort was put forth planning this breeding program.

Since this is an absolute dispersal sale, you will have the opportunity to purchase horses that would not otherwise be for sale at any price. It would be hard to find a better group of top running horse prospects, show, and breeding stock, offered and catalogued in one sale.

Most all mares offered in this sale are bred to Bar Money; Stallion Service Certificates, Transfers, and Certificates of Registry on weanlings will be given with each offering.

Featured in this sale are: five top daughters of Leo; own daughter of Depth Charge, and own daughter of Vandy and Three Bars. Also being offered are seventeen top yearlings - most of them sired by our great young stallion Bar Money. In addition, we are offering thirty top weanlings. I think this is a great group to pick from.

As you know, Bar Money is selling, too. We think he is one of the greatest sons of Three Bars, being out of the great race mare Miss Ruby. He is already proving himself as a great sire of race horses.

I feel sure that each horse purchased in this sale will be an asset to its new owners' breeding program. I wish each and every buyer great success with these horses.

Sincerely,

Miss Alma R. Hyatt

TERMS AND CONDITIONS

1. PAWHUSKA QUARTER HORSE SALES acts as agent between buyer and seller only. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN THE BUYER AND SELLER.
2. The highest bidder will be the buyer, and if any dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there is no advance bid, the horse shall be struck off to the person or persons whom the auctioneer recognized the last bid. The auctioneer will decline any bids made by parties who have defaulted in former purchases, or by persons who, in his judgement, are not responsible bidders.
3. Terms of the sale are CASH and payment in full must be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose their orders. Buyers assume all expense and risks on horses after they have left the auction ring. Buyers must make arrangements with the Sales Company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private auction or sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed in the terms and conditions nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to assure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions and assume no liability on its part or the part of the seller as to any statements either verbal or written, regarding horses sold.
8. Registration papers will be given to the buyer as soon as checks have cleared or credit established. THE BUYERS SHALL BE RESPONSIBLE FOR TRANSFER.
9. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares were bred to stallions as indicated in the catalog footnotes. We believe them to be in foal, but are selling them as they are and without return privileges unless otherwise stated.
10. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown or sold in the sale ring. The management cannot and will not be responsible for accidents of any nature.
